FEDERAL TEACH GRANT APPLICATION: FALL 2022, SPRING 2023, & SUMMER 2023

The Federal Teacher Education Assistance for College and Higher Education (**TEACH**) Grant Program provides grants (based on enrollment status) to students who intend to teach in a public or private elementary or secondary school that serves students from low-income families. Carefully review the following information before applying.

To be eligible for TEACH you must:

1. Complete the 2022-2023 Free Application for Federal Student Aid (FAFSA) on the [Federal Student Aid website](#).
2. Be a US citizen or eligible non-citizen.
3. Be at a college junior, senior, or graduate level.
4. Be admitted into one of the eligible degree-seeking programs listed on the application.
5. Be pursuing both a degree *and* teaching certification. Students pursuing a degree only or certification only are not eligible.
6. Have an overall grade point average of at least **3.25** at the time of initial *and* subsequent disbursements in addition to meeting satisfactory academic progress standards for financial aid. **GPA requirement can be waived for current or former teachers.**
7. Complete the online TEACH Grant Agreement to Serve and entrance (or subsequent) counseling prior to disbursement of the TEACH Grant. You must also complete exit counseling at the time of degree completion or leaving the program. You will be notified when these requirements are available.

In exchange for receiving TEACH, you must agree to serve as a full-time teacher in a high-need field in a public or private elementary or secondary school that serves low-income students for at least four academic years. This requirement must be fulfilled within eight calendar years of completing or withdrawing from the program of study for which you received TEACH.

If you fail to complete this obligation, all TEACH Grant funds will convert to a Federal Direct Unsubsidized Loan that you must repay to the government. You will be charged interest from the date the grant originally disbursed. You can review schools currently identified as serving low-income students on the [Federal Student Aid website](#).

To determine if you meet the academic criteria, the application should be submitted to:

The application will then be forwarded to the WVU Hub for review of additional criteria. If you are eligible for TEACH, you will receive notification to your student MIX email regarding the counseling and Agreement to Serve you must complete prior to disbursement. **If you have an existing aid offer, an adjustment may be necessary to other aid in order to offer the maximum TEACH.**

If you have questions about the application, please contact Maria Gaddis. If you have questions about eligibility, [contact the WVU Hub](#).
